LETTER WRITING GUIDELINES

- Start with a salutation, such as "Dear Hero", "Dear Service Member" or "Dear First Responder"...
- Write to a: deployed service member, veteran, recruit graduate, first responder or a wounded hero & their caregiver -- All deserve to be thanked for their commitment and sacrifice!
- Express your thanks for their selfless service.
- Please don't date your letters, sometimes it can take up to a few months for our care packages to be received after they are sent.
- Avoid politics completely and religion in excess; however, saying you are praying for them is wonderful.
- Share a little about yourself: family, hobbies, work, school, pets, travel.
- Adults: Include your contact information (mail or email) so the recipient can reply. Children: USE FIRST NAMES ONLY and no addresses please. Due to time and location limitations, they might not reply; please do not be disappointed
- Can't find the words? Consider drawing or painting a picture instead; please add a note to kids' drawings with their age. Please avoid glitter!
- Please DO NOT put cards or letters in individual envelopes; all letters must go through an internal screening process.
