

New Subscriber Information - Four Show Subscription!

Dear Playhouse on Park Patron,

Thank you for your consideration in joining us for the remaining four productions of our 2023-24 Main Stage Season as a season subscriber!

The theme for our 15th Anniversary season is “celebration.” We have a lot to celebrate: our perseverance despite the vast amount of challenges for theatre in the past three years; our audiences as they return to live theatre and rediscover the safety, community, and joy that is essential in our lives through live theatre; and our supporters, without whom we would not be able to function. All of you have been crucial, and we celebrate YOU. We sure hope you will join in on the celebration as a subscriber.

We still have four amazing productions remaining in our 15th Anniversary Season - A Season of Celebration: ***Pin Up Girls: A Musical Love Letter*** will allow us to celebrate our veterans and letters from family members to military people as they are remembered through song from WWI to the Present. You won't want to miss celebrating Women in Theatre through the inventive ***Ms. Holmes and Ms Watson - Apt 2B***, which reimagines Holmes and Watson through a feminist lens; hysterical, smart, and full of adventure. **Toni Stone**, celebrates our unsung heroes and untold stories as we celebrate the true story of the first woman to play baseball in the Negro Leagues. Lastly, in the Broadway smash musical, **The Prom**, we will celebrate inclusivity and the power of love and acceptance within a community. You can also add **stop/time dance theater's** annual production, Stop Time Dance Theater: Unpacking, at the same 20% savings.

As a subscriber, you save 20% over individual ticket prices, have the opportunity to exchange your tickets to a different day within the performance at no extra charge (with the exception of preview subscribers, who must exchange between previews or pay an up-charge), avoid mail fees and services charges, and take advantage of advanced ticket offers and invitations to special events. You also have the opportunity to renew your subscription prior to new subscriptions going on sale to the general public; and we will hold your current day/seats until you choose to resubscribe. If you wish to add to or change anything about your subscription, we can help you do that, too!

Our subscribers are the backbone of our theatre. We are grateful for your support and hope you'll join in on the celebration for our 15th Anniversary Season. Please reach out with any questions.

Thank you,

The Staff at Playhouse on Park

15TH ANNIVERSARY SEASON!

2023-24 UPCOMING MAIN STAGE SERIES PRODUCTIONS

The following productions are included in the four show subscription series.

THE PIN-UP GIRLS: A MUSICAL LOVE LETTER

Written by James Hindman and Jeffrey Lodin

November 29 - December 23, 2023

While performing a Christmas cabaret at their local VFW hall, Leanne and her friends stumble upon a huge stash of letters from service men and women that go back 100 years; stories spanning from WWI to Afghanistan. Moved by what they find, the ladies put on a festive show that celebrates the guys and gals who fight to defend our country. With music from The Andrew Sisters, Beyonce and holiday favorites, *The Pin-Up Girls* give us a funny, romantic, heartbreaking and sexy tribute to our troops overseas.

"The show is a wonderfully performed, timeless tribute to our armed forces." -BroadwayWorld

MS. HOLMES & MS. WATSON - APT. 2B

By Kate Hamill

January 24 - February 18, 2024

An irreverent, darkly comic, modern take on Sir Arthur Conan Doyle's famous sleuth and sidekick, this fast-paced romp re-examines the world's most famous detective story with a bold new feminist lens. In this highly theatrical, small-cast escapade, oddball female roommates Sherlock (yes, it's also a girl's name—wait, is it a girl's name? Is it even a name?) Holmes & Joan Watson join forces to emerge from pandemic fog as a deeply codependent, quasi dysfunctional Odd Couple adventure duo—solving mysteries and kicking butts, until they come face to face with a villain who seems to have all of the answers.

"Apt. 2B is sharp, playful, and moves at a rapid-fire pace... [It] brings poignancy and humor to the stories of Sherlock Holmes..." -Portland Monthly

"Hamill's new play gives the stories refresh in the way of Lucy and Ethel, Cagney and Lacey or Rizzoli and Isles." -Arts ATL

TONI STONE

Written by Lydia R. Diamond

May 29 - June 16, 2024

Declared the Best New Play of 2019 by *The Wall Street Journal!*

An original play inspired by the book *Curveball, The Remarkable Story of Toni Stone* by Martha

Ackmann. this sensational theatrical event knocks it out of the park with a high intensity glimpse into the world of the first woman to go pro in baseball's Negro Leagues. Against all odds, Toni Stone blazes a path in the male-dominated sports world, shattering expectations and creating her own set of rules. Follow Toni's journey as she fights for love, equality and a chance to do what she wants the most — play baseball. Filled with humor and the love of the game, this intimate and profoundly relevant portrait of America will have you cheering along.

NYT Critic's Pick! *"Toni Stone is at its considerable best whenever, like its main character, it's at its most unconventional."* -The New York Times

"A provocative story of grit and determination." -Newsday

THE PROM

by Bob Martin, Chad Beguelin and Matthew Sklar

A new musical about a small-town Indiana prom based on an original concept by Jack Viertel **July 10 - August 11, 2024**

A troupe of hilarious, self-absorbed and fading Broadway stars shake up a small Indiana town as they rally behind a teen who wants to go to the prom with her girlfriend. Winner of the Drama Desk Award for Best Musical, THE PROM expertly captures all the humor and heart of a classic musical comedy with a message that resonates with audiences now more than ever. A story of love, acceptance, and embracing the person you were meant to be.

NYT Critic's Pick! "[THE PROM] consistently delivers on its entertainment promises as well as its Golden Age premise: that musicals, however zazzy, can address the deepest issues dividing us." -The New York Times

"A sweet-hearted original musical... leaves you grinning by the last dance...It is cheering to see a musical comedy that engages with modern questions – Time Out

"With a tuneful score, a playful book, and performances that remind you what Broadway heart and chutzpah are all about, this cause celebre of a show turns out to be a joyous, funny, and sweet production that should appeal to several generations of musical fans." – Frank Rizzo, Variety
