THE SOCIETY ROOM OF HARTFORD**

As a volunteer and proud supporter of Playhouse on Park, it is our pleasure to invite you to be part of *Encore 2023*, this spring's hottest special event, by donating an item to our live and silent auctions.

By donating an auction item your message will reach not only the hundreds of people attending the event, but also thousands more people before and after May 13th through our social media channels, website, print materials, media releases, and online auction site where your donation will be professionally displayed, photographed, and creatively described beginning May 6th.

Most important of all, your donation will help raise the funds necessary to keep bringing professional live theatre to the Playhouse on Park stage and excellent theatre arts programs to children, youth, and schools.

Encore! Razzle Dazzle will celebrate the legendary John Kander and his musical theatre career. His work, and that of Kander & Ebb, has had a significant impact on our theatre over the past 13 years. The productions of *Chicago*, *Cabaret* and *The Scottsboro Boys* were each transcending for our theatre, all for very different reasons. Expect a selection of performances from various Kander & Ebb productions.

We hope you will donate an item to showcase your company, products, or talents at what promises to be an unforgettable evening of fine dining, dancing, live and silent auctions, and the world class entertainment that only Playhouse on Park can produce.
